Teversham Church of England Primary School News

from Elizabeth Jenkin, Headteacher

We have enjoyed a lovely sunny start to the term, all the more welcome after the long bitter winter. Unlike many schools, we had all our staff back in school, although we still have some children stranded abroad.

At the time of writing, we await the election of a new government, and as yet the outcome is very uncertain. Preparing our children for a world of rapid change, while rooting and grounding them in solid values is a challenge we face daily in school. So, we have been pleased to welcome visitors from the Babraham Institute and the Marshall Group to help us teach our science and technology work. It has also been good to host the 'Mad Science' club. We place a great emphasis on teaching the children to be wise and discerning users of new technologies, showing them how to keep safe in a world of social networking and instant global news that is so different from the schooldays many of us remember.

Yet some things don't change; children still love their mums, and we spent a lovely afternoon sharing our thoughts and songs to celebrate Mothering Sunday, and enjoyed giving out daffodil posies to the visiting mums, grans, aunties (and a few dads too!). We still devote a great deal of time to the basic skills of the '3 Rs' and thought you might like to read some of the children's writing about their Easter holidays. Please forgive what Pooh Bear called 'wobbly spelling'; some of our budding authors are still only 4 years old!

All Saints Church, Teversham from Tom Wakeling

At last, Spring is with us. Plenty of floral colour everywhere which makes us all feel revitalised. Easter is the most important time in the Churches calendar and services in Church celebrated the Easter message and were very well attended. Another highlight in Church was the pageant prepared and set out by the children of our village School. The pageant told the Easter story and was a fine piece of work. Well done to all of the children and their teachers.

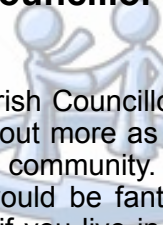

Good news too about the extension to the graveyard. The boundaries have now been agreed, fencing is to be erected and once the ground has been consecrated and prepared, it will be used. Almost 50 members of the congregation and friends enjoyed the winter supper. Vocal entertainment was David Duke and his accompanying musicians was much enjoyed. We are now looking forward to the Summer Supper - date to be announced. We look forward to seeing you!

Cambridgeshire and Peterborough

CPRE's National President, Bill Bryson, is heading the 'Stop the Drop' campaign. CPRE has produced litter picking packs which we could use. The Parish Council would like to hear from anyone who would be interested in attending an organized 'litter pick' to help clear litter from from under hedges and in ditches. If you are interested, please contact the Clerk (details on reverse of this newsletter). We look forward to hearing from you!!

Parish Councillor Vacancy

We are still one Parish Councillor short. Please do get in touch to find out more as you can help make a difference in your community. All Councillors are volunteers and it would be fantastic to welcome a new member. So, if you live in Teversham (including Teversham Foxgloves, or indeed work in Teversham, and you are over 18 - Call us, we need you!

STOP PRESS.. All Saints Church Vandalised!!

Sometime on the evening of Sunday April 25th, our local Church, All Saints, Teversham was vandalised. The mindless individuals guilty of this crime, smashed windows and urinated in the front porch. They have caused thousands of pounds worth of damage and distress to many people. To make matters worse, this was discovered on Monday morning (26th April) by the children of Teversham Primary School, when they were taken to Church to take down their Easter exhibition.

We are determined, with the help of the Police, to stamp out vandalism within our community. We are therefore appealing to anyone who has any information, however small, to please call the Police (See details below) or any member of the Parish Council. All calls will be treated with the strictest confidence and you do not have to give your name.

When calling the Police 0345 456 4564, please quote Ref: **CD0192630410**.
