

Experience the joy of e-cycling at a low cost!

Try out one of the new Teversham Community E-bikes that will be located around the parish from October 2020 for hire by residents.

The e-bikes will be stored in lockers which will have sanitiser spray and dispensers available for riders to use.

The e-bikes can be located and booked via the user-friendly bizbike mobile app, which is also used to unlock the bike and pay for your rides. Thanks to a subsidy from the South Cambridgeshire Zero Carbon Communities Fund, Teversham residents qualify for half-price rides, ranging from 50p for one hour to £2.60 for six hours to £4.60 for twelve hours.

The app can be downloaded from App Store for iPhones and Play Store for Android phones by searching for “**bizbike**”.

The four e-bikes will be housed in covered lockers at **three locations**:

Ferndale

Eland Way (2 lockers)

Cherry Hinton Road

Residents are invited to try out the e-bikes on Saturday, 31st October at Teversham recreation ground, via a pre-booking system to comply with COVID-19 guidance. **Book your trial e-cycle via this Eventbrite link:**

Smooth and powerful, the bizbike e-bike is more than an ideal urban commuting vehicle. It's also ideal for:

- Commuting from suburbs and villages;
- Countryside tours;
- Cruising past congested traffic;
- Seniors to start or continue cycling;
- Those that have leg, knee or ankle injuries.

You ride faster, glide up hills, and cut journey times to work.

- Arrive at work without breaking a sweat;
- Avoid sitting in traffic;
- Exercise as much or as little as you choose;
- Save money travelling to work;
- Improve mental health and reduce stress;
- Enjoy environmentally clean transport.

In the case of any mechanical problem or a puncture, bizbike will endeavour to replace the e-bike en route, at work premises or other destinations, seven days a week between the hours of 08:00 and 17:30.

Once you register as a bizbike rider you will be sent detailed instructions on the operation of the service and the e-bike. For first-time users, a bizbike staff member will be available to via the helpline (07973 499224) to provide assistance and any further instructions that may be needed.

The Teversham Community E-bike Service is an initiative of the Teversham Parish Council, funded by a South Cambridgeshire Council Zero Carbon Communities grant and operated by Cambridge Electric Transport's bizbike service.

The logo for bizbike, featuring the word "bizbike" in a lowercase, sans-serif font. The "biz" is in a bright green color, and "bike" is in a dark grey color. A small "TM" trademark symbol is located to the upper right of the "e".
